BERN 2019
11. - 13. SEPTEMBER

Swiss Conference on Standardized Patients and Simulation in Health Care

Bridging the Gap - Venturing into the Unknown

SPSIM is a biennial, international conference on the use of Standardized Patients and Simulation in undergraduate and postgraduate education of healthcare professionals.

11. September 2019: Pre-Conference Workshops
12. + 13. September 2019: Conference Days

At SPSIM 2019 we want scientists and educators to:

- ▶ share promising approaches
- ▶ take a close look at the debriefing process
- ▶ reconsider the theoretical base of simulation
- ▶ consider the potentials of hybrid simulation, virtual and augmented reality and the importance to having fun with simulation.
